- These motions are listed in order of precedence.
- Instead of raising a placard, delegates must use Zoom's "Raise Hand" feature in order to be recognized for a point or motion.
- For Point of Order, the delegate can unmute themselves and say "Point of Order" while they have their "Raise Hand" on (this will help the chairperson identify the Member State making the point). They shall not immediately state their "Point of Order" reason until the chairperson recognize them.
- The five shaded motions (PADAR) are the only motions that can be used during voting procedure.
