Job Description: As a student member of the Board of Directors, you will participate in the day-to-day business affairs of running the SRMUN conference. While the Executive Directors of Finance and Operations handle the majority of financial and logistical matters, the Board of Directors drafts and implements the policy and vision for the conference. Specific job responsibilities vary annually depending on current projects and initiatives. In addition, the Board of Directors acts as a backstop to ensure the academic integrity and SRMUN's educational mission. Primary communication is via e-mail, however voting members of the Board are required to at least attend two of the three annual meetings held in April, July and November. If selected for this position, you must commit to active participation in Board discussions, projects and meetings.

In order to complete your application, you must obtain the signatures of 10 Head Delegates in order to run for a Board position. These signatures are similar to signatories on a resolution – signatures indicate the willingness to see the person run for the position.

All Head Delegate signatures will be codified by the Secretary of the Board of Directors to ensure their authenticity. In addition, please answer the following questions, the answers to which will be submitted to the head delegates before Friday night's head delegates meeting where voting will take place.

APPLICATIONS, WITH THE REQUIRED SIGNATURES AND ANSWERS TO QUESTIONS, MUST BE TURNED IN TO CONFERENCE SERVICES NO LATER THAN 6 PM FRIDAY NIGHT.
